PLUM BROOK GOLF CLUB

J. BEAUPRE, PRESIDENT

PAUL F. BEAUPRE, SECRET

LEAGUE GUIDELINES

1. Please have the first group on the tee and ready to hit when it is time for your league to start.
2. Please have all players tee off from the white tee markers.
3. On par three's, please have each group **WAVE UP** the group behind them, even if they are not part of your league.
4. Each foursome should know where the group ahead of theirs is and maintain a pace of play that allows you to keep up with them. The U.S.G.A. suggests that the game is in front of your group and not behind you.
5. Each player should walk directly to their own ball and be ready to hit your next shot when it is your turn.
6. On the putting green, please have each player continue to putt out if their ball is within five (5) feet of the hole.
7. Please understand that the starters and rangers are only doing their job when they ask for someone to tee off or a group to speed up play, it's not meant to be a personal attack.
8. U.S.G.A. Pace of Play for Plum Brook G.C. (^{1.45 Per Nine}~~see handout~~)
9. Please have one person pay for the entire league rather than individually.
10. Please be sure that each leagues attendance is at least 95% throughout the year.
11. Please notify us if at anytime you have any comments or suggestions.
- 12) READ The Card for Local Rules.

We are happy to see that all our leagues have returned for another golf season, and we hope that by following the guidelines set forth that it will be an enjoyable year for everybody!!!

Thank You,

Plum Brook Golf Club
