**Dear Golf League Members**

**Welcome to the 37th anniversary of our golf league.**

The league will start this year on **April 18, 2025** and will be ending on **August 22, 2025**.

We are scheduled for every other Friday this year. (Except rain makeups)

The first tee time is at **5:14 pm**, the last is **5:35 pm**. **Occasionally we start early on the back. Be Ready!**

WE WILL NEED PERMENENT SUBS (likely at least 5). Please let me know asap if you have someone who is interested.

**Please** make yourself familiar with the "LEAGUE RULES". Some have changed over the years.

There are also a few changes we are making this year with payouts which will be fully detailed later, but before the first week. Because the course hasn't been charging us the full amount we are contractually obligated to when we have golfers miss, there has been some carry-over money each year. Last year we just paid out more for scrambles, but this year we are spreading it out/ boosting all of the payouts. We will do this each year going forward. Years past accounting always paid out correctly, but the documentation and method to get there needed some TLC and updating.

**Permanent golfer Only:** Choose 1 of the 3 Options.

<u>3 Options</u>	<u>Payment</u>	<u>Golf</u>	<u>Nassau</u>	<u>Team</u>	<u>Website</u>	<u>Scramble</u>	<u>Skins</u>	<u>Greenies</u>

<u>3 Options</u>	<u>Payment</u>	<u>Golf</u>	<u>Skins</u>	<u>Greenies</u>

Permanent golfer with greenies only:	\$260	\$240		\$20
Permanent golfer only:	\$240	\$240		

We won't know how many Permanent Golfers won't be back this year until March 1st. If you are asked to be a Permanent Golfer for this year you will just pay the difference from the sub payment made.

**Payment Due by March 1, 2025.**

I need to have the payments in on time so I know who is playing so we can get the teams evenly balanced for the draft. The teams will be picked using the lottery system Daily 3 and Daily 4.

**If you know you are not golfing, PLEASE let me know when you do.**

As an incentive, the same as the last several years. If you don't get your payment in or postmarked by the date above. You owe the league a round of beers.

**Thanks.**

**Please send payment to:**

**Preferred Method:** Venmo (@JeffSoloway)

**Or you can use:** Jeff Soloway

## Golf League Subs Info

**This info** is for our sub format (that we started in 2021 with minor changes).

**The intent** of this format is to find new golfers that want to join the league permanently.

**With this format** you will golf all 10 weeks of the league that you can make it. Then next year, we will offer any open spots to the subs that have the best attendance. If you need to miss a week, send me a note to my email address. So I will know not to schedule you to sub for a missing golfer. You can send me a note anytime from now for a planned vacation. To up until your tee time if you have something come up at the last minute.

**If you are new the first 2 weeks you will be getting a league handicap.** After that I will try to evenly spread out the amount of times you sub for a missing golfer.

Most of the league walks, but if you choose to ride, pay for the cart in the clubhouse.

I will contact you when I know you are scheduled to golf in a missing golfers tee time.

You will need to download the website **PUTTITOUT.COM** on your phone. Click on "**LEAGUE**" in the banner at the top. You will need this when you golf to input your golf scores after the round. Also all the league info is there including the golf dates and "**SCHEDULED ABSENCES**" where it show which golfers will be missing a week(**Including SUBS**). It will get updated after we pick teams and after each time we golf.

**Please** make yourself familiar with the "**LEAGUE RULES**" in "**LEAGUE**"

**Thanks.**
